File:

EFFECTIVE JANUARY 20, 2013

The State of Hawaii Department of Health will no longer be conducting tattoo artist license examinations.

Hawaii Revised Statutes Section §321-375 **Examination, fee required.** States that:

a) No license shall be issued unless the applicant takes an examination as prescribed by the director and receives a passing score or meets the criteria specified in section 321-374(c). No license shall be issued unless all fees required by the director have been paid.

b) The department may contract with a professional testing service to prepare, administer, and grade the examination for licensure as a tattoo artist. For these purposes, the department may require applicants to pay the examination fee directly to the testing service.
